

International Conference

One hundred years of the New Julian calendar by Milutin Milanković

Conference days:

14-16. December 2023

The venue:

Ceremonial Hall of the Faculty of Civil Engineering, Belgrade, Kralja Aleksandra 73, and Cultural and Scientific Center "Milutin Milanković" from Dalj

Organizer:

Association Milutin Milanković

Co-organizers:

Faculty of Mathematics, University of Belgrade
Faculty of Civil Engineering, University of Belgrade
Belgrade Astronomical Observatory
Cultural and scientific center "Milutin Milanković" from Dalj

Supported by:

University of Belgrade, Serbian Academy of Sciences and arts and the Serbian Orthodox Church

Sponsor:

Government of the Republic of Serbia - Ministry of Education

Scientific board:

Dr. Milan S. Dimitrijević, President, Astronomical Observatory, Belgrade
Prof. dr Dejan Urošević, Faculty of Mathematics of the University of Belgrade
Prof. dr Luka Č. Popović, Astronomical Observatory, Belgrade
Prof. dr Radomir Popović, Faculty of Orthodox Theology of the University of Belgrade
Prof. dr Vojislav Jelić, Faculty of Philosophy, Belgrade

Prof. dr Vitomir Racić, Faculty of Civil Engineering of the University of Belgrade

Prof. dr Andrei Nikolayevich Zelinsky, Moscow State University "M.V.

Lomonosov", Russia

Prof. dr Branko Predojević, Faculty of Science and Mathematics, Banja Luka, Republika Srpska

Prof. dr Efstratios Teodossiou, Faculty of Physics, Athens, Greece

Dr Magdalena Christova, University of Sofia, Bulgaria

Prof. dr Marc Frincu, Western University, Timisoara, Romania

Local organizing board:

Slavko Maksimović, MSc, President, Milutin Milanković Association

Deacon dr Nikola Lukić, Orthodox Theological Faculty, Belgrade

Djordje Nešić, Cultural and Scientific Center "Milutin Milanković" from Dalj

Nenad Milenović, member of the Management Board of the Milutin Milanković Association

Dr Milan S. Dimitrijević, Belgrade Astronomical Observatory,

Prof. dr Luka Č. Popović. Astronomical Observatory Belgrade,

Asst. Emilija Jočić . Asst. will participate in the organizing committee of the conference. Emilija Jočić

Milovan Ivanović, member of the Milutin Milanković Association

Dr Milan Mladenović, writer and philosopher

M.Sc. Dragan Antić, member of the Milutin Milanković Association

Jovan Aleksić, Astronomical Society Rudjer Bošković

Nada Djordjević Veselinović, Head of the Computer Laboratory of the Faculty of Mathematics of the University of Belgrade

Invitation to participate in the conference and submission of works:

The Milutin Milanković Association, the Faculty of Mathematics of the University of Belgrade, the Faculty of Civil Engineering, University of Belgrade, Belgrade Astronomical Observatory and the "Milutin Milanković" Cultural and Scientific Center from Dalj invite those who are familiar with the calendar question from the point of view of various scientific fields (astronomy, mathematics, history, archaeology, theology) to participate at the international conference "One Hundred Years of the New Julian Calendar by Milutin Milanković".

Objective of the conference:

The aim of the conference is to present to the public quality and objective data on the origin and development of calendar knowledge from the point of view of the mathematical and astronomical theory of time measurement and calculation, the history of calendar knowledge from the oldest times to the present day, the

mythological and theological background of the calendar, as well as the history of creation and modifications of the most famous calendars, up to the specific contribution of Milutin Milanković to the reform of the Julian calendar.

Themes of the meeting:

- a) Astronomical and mathematical basis of the calendar;
- b) History of calendar knowledge within the history of civilization;
- c) Types of calendars throughout history and their reforms
- d) Christian calendars and the reform of the Gregorian calendar
- e) Calendar knowledge among Serbs;
- f) The reform of the Julian calendar in 1923. and the contribution of Milutin Milanković.

Official conference language:

The scientific meeting is held in English. Reports are written in English. The work can be presented in English, Serbian or Russian, and the presentation must be prepared in English

Key dates:

- a. Application and abstract submission: by June 25, 2023.
- b. Acceptance of abstracts and detailed instructions: July 15, 2023.
- c. Submission of papers: September 15, 2023.
- d. Reviewers' comments October 1, 2023
- e. Submission of the final work November 1, 2023.
- f. Second notification and final program: November 15, 2023.

Detailed instructions for the preparation of works will be delivered to the authors with the notification of the acceptance of the work. The authors are responsible for the originality of the text, the quality and accuracy of the data.

Contact and submission of works by e-mail: kalendarjubilej2023@gmail.com
